

A Clarification and Warning:

In the name of Allāh the Most Merciful Bestower of Mercy,

All praise is due to Allāh the Lord of creation and the final outcome is for those who are mindful of Allāh and there is no enmity except for the wrongdoers; and may the prayers of peace and blessings of Allāh be upon the noblest of prophets and messengers, our Prophet Muḥammad as well as his family and companions.

As to what follows:

Then we have certainly asked some of the brothers from Britain about an announcement that has been promoted in the past few days on social media regarding what is referred to as Markaz Ahl al-Sunnah wa al-Jamā'ah in Dakkār the capital of Senegal in West Africa since this center has begun to collect money for the purpose of Masjid expansion.

So I say after seeking assistance from Allāh, truly the people responsible for this project are from the leaders of the oppressive Muṣa'fiqah who are fanatics who cause division and are people of evil and fitnah in our land who have opposed [the scholars] such that they have not paid attention to the instructions of the scholars but rather instead have resorted to attacking them.

Their fanaticism is founded on blind following and they have gathered together against the people of the truth in order to distort their reputations and fabricate lies about them.

And this Masjid after the favor of Allāh the Exalted was a project that I exerted great efforts on behalf of in order to establish and thus I was its representative as it relates to its establishment in Senegal. And I have

witnessed many deviations from those people who have presently assumed administrative positions for the Masjid and they are not people who should be trusted or be relied upon in financial affairs or matters related to Da‘wah.

And from the perspective of advice is the statement of the Prophet – may the peace and blessings of Allāh be upon him- which has been narrated by Imām Muslim in his authentic collection from the ḥadīth of Tamīm al-Dārī which has supporting narrations in other collections besides Muslim wherein the Prophet –may the peace and blessings of Allāh be upon him- says: “The religion is sincere advice.” We said: “To whom O Messenger of Allāh?” He replied: “To Allāh, His Book, His Messenger and to the leaders and the common Muslims.”

So based upon this principle of advice, then we do not advise cooperation with those people or supporting them due to their deviations, lies, deception, oppression and falsehood.

And Allāh the Exalted says in His Mighty Book: **“And cooperate upon righteousness and piety and do not cooperate upon sin and transgression.”** [*Sūrah al-Mā‘idah* 5:2]

And from the greatest evidence of the evil of their path and their deviant methodology and what establishes that they are truly Muṣa‘fiqah is who they have chosen as supervisors over this project:

- 1- +221776517121 the possessor of this number who cited this number as a contact on this advertisement and who is the supervisor of this project is a troublesome fitnah-making deviant who is closely connected several evil controversies just as he is closely connected to the Muṣa‘fiqah in many different lands and is likewise a member of their [social media] groups.

And he has also uttered some evil disparaging speech regarding the Imām of the people of the Sunnah Aḥmad ibn Ḥanbal. See his speech regarding Imām Aḥmad:

And this is the refutation of the esteemed Shaykh Ṣāliḥ ibn Fawzān al-Fawzān –may Allāh preserve him- when this speech was read to him:

- 2- The presence of a Tunisian brother who is a Ḥaddādī Muṣāfiq that is excessive in his zealous fanaticism and in his attacks on the scholars. He is Aḥmad Ḥamdānī al-Tūnisī and he is from the heads of the Muṣāfiqah and is a sick fitnah-maker to the extent that whoever wishes to know the level of his Ḥaddādiyyah need only to enter his Facebook page or ask the Salafīs about him.
- 3- They have advertised that their project was praised by a self-promoting Ḥaddādī individual who feigns knowledge and is falsely referred to as Abū Muqbil al-Atharī who is from Gambia and is foolish ignorant individual who attacks the scholars;

- From his attacks of Imām Rabīʿ ibn Hādī al-Madkhalī –may Allāh preserve him-:

And he has many other attacks against the scholars besides this.

And here is the refutation against his audacious claims and attacks against Shaykh Rabīʿ, Shaykh ʿUbayd and Shaykh ʿAbdullāh al-Bukhārī –may Allāh preserve them all-.

A message to the foolish child who is erroneously called Abū Muqbil al-Atharī:

It is for this reason that this clarification was made in an effort to advise for Allāh's sake our Salafī brothers who may not know the conditions of these people.

And may the prayers of peace and blessings of Allāh be upon our Prophet Muḥammad, his family and companions altogether.
